ATHLETE GUIDE

WELCOME

It gives me great pleasure to welcome you to the culmination of your journey to Go Swim Loch Tay 2022. A journey of countless hours in the pool, loch or lake to get you to the start line and finally draw to a climax on the Loch Tay finish line.

The team at Still Going Strong and everyone involved in the event has focused our efforts on providing the best possible stage for you to test your endurance and racing skill. However, there is only one person that can fill your shoes on Raceday. You can expect support from the many volunteers and supporters, so please do show your appreciation on the day to the incredible volunteers and staff who will be supporting your efforts throughout the long hours of the race.

You will no doubt be feeling some nervousness as the start line approaches, but do try to make the most of a day like no other, the racing is all down to you. Finally, I would like to offer my thanks to the Team behind the Event who show incredible, unwavering support and the local communities who provide this perfect stage for you to shine.

COVID-19 MEASURES

The team are thrilled to be welcoming you back to Kenmore in 2022 and we want to ensure that everyone can enjoy their experience at the race as they should. We are sure that many of you will be thrilled to be back racing in the new 'normal' - however, there will be athletes that are not quite as comfortable racing as others. Therefore, we ask that all athletes respect one another so you can all have an enjoyable experience you have been waiting so long for. In light of this, we kindly ask that you follow the government recommendations in regards to COVID measures at the time of the event and respect athletes, volunteers and staff throughout your onsite experience.

We will provide sanitisation opportunities at key touch points throughout the event. Please use the official Event Car Parks, particularly in Kenmore where we ask you not to park in the Village Centre or in any residential streets.

Over the years, the race has seen all manner of weather so please make sure you are prepared for all conditions on race day. Whether you are a first timer or a seasoned athlete, it is important to remember the safety of everyone is a priority so please read this athlete guide, plan your perfect Event, and follow any guidance at the event. Please respect the physical challenge you have set yourself and do not attempt it if you are feeling at all unwell, ensure you are properly prepared and trained for the event.

We will attempt to give you as much information as possible within this Guide but if you have any additional questions bring them to the race briefing or email us at info@go-swim.uk
All additional race information and route maps will be available at www.go-swim.uk
Take care of yourselves and fellow athletes but most of all enjoy the experience and Race Well.
